

Quiz 9

Time: 10 minutes

1. Write the code for a pulldown menu that will allow users to choose their favorite Disney villain from a list of at least three. You don't have to write the entire web page or even the entire form, just the menu.
2. Write the code for a set of checkboxes that will allow users to choose their favorite Disney princess(es) from a list of at least three. You don't have to write the entire web page or even the entire form, just the checkboxes.
