CS 480-01-24W: Senior Project

Part 2

Due: Friday 2 February 2024 5:00 P.M. EST

Create a folder called “COMMITTEE” in the top level of your CS480-01-24W folder. Place all files pertaining to this assignment into the top level of your COMMITTEE folder. Place a (possibly empty) file called “DONE” into this folder when you are ready to have your advisor logged.

Your senior project will be evaluated by a three-person committee during Finals Week. You have already selected your advisor. Now select the other two members of your committee from the following list: Randy Appleton, Jason Haskell, Jeff Horn, Mike Kowalczyk, Andy Poe, John Sarkela. The two (obviously) should be different from your advisor, since you have selected your advisor.

Again, ASK THE PROFESSORS before you select them!!

Place a text file into your COMMITTEE folder. The text file should contain the names of the other two members of your committee. Place a possibly empty file or folder named DONE in your COMMITTEE folder alongside your text file. DO NOT place your text file inside the DONE folder!
